고양이를 동거안반

Translated by Sura's Place

Well, she went to school,
and I am fed well.

Time for a nap...

What the ?! Who does ...

덜컹

Oh, hm... someone is moving in.

Let's hope it's a pretty fema-

Damn hell,
It's a male.

And what does he keep staring at me for ?!

He goes to the same school as her...

Ah, well, let's just nap.
